

Herba Life MLM Home Business - Scam or Real?

One of the most renowned health based companies is the Herbalife Multi Level Marketing program. The headquarters are located in L.A. California and was established by Mark Hughes with the support of Dr. Richard Marconi PhD and nutritional expert.

Wanting to create and sell particular weight loss products easily and successfully Mark Hughes put his efforts into building Herbalife. Herbalife begin its marketing success on TV and Cable programs and achieve reputability; today Herbalife uses multi level marketing and has achieved even greater marketing success.

The Herbalife Product Line:

Herbalife markets health and wellness products as well as fitness products and herbs. Weight management products, personal care and skin products and dietary supplements are also in their product line and all of their products are marketed to be healthy and toxin free.

Herbalife's products do not have adverse affect on your health and helps to lose weight. The product line of Herbalife consists of three main products: Formula #1, Formula #2, and Formula #3.

Consisting of a protein rich drink, Formula #1 is a meal replacement product. An herbal tablet makes up Formula #2 and a multivitamin and mineral tablet is Formula #3.

In the beginning Herbalife weight loss line was marketed with the name of the Slim and Trim Program, today this same line is marketed at Herbalife Cellular Nutrition Health and Weight Management Program. Both programs are virtually alike and include Thremojetic system to control weight.

Herbalife has many positive testimonials from their faithful customers. These testimonials report an increase in energy levels and stamina. There are also some testimonials that report a relief from arthritis, acidity, inflammation and headaches.

The Compensation Plan:

Herbalife offers stair step breakaway compensation plan. It is difficult to explain this plan. The main principle of this compensation plan is that the distributors have to breach from the original sponsor as soon as they achieve a particular qualifying point.

After which, the original sponsor gets a certain amount out of total volume of sponsored distributor's collection. Herbalife's compensation plan is better than other compensation plans that are available in the market.

However, to succeed in this business, you have to recruit people. Herbalife is a great opportunities for those, who have the ability to build a team of 100 to 200 members and draw around \$1000 residual income per month.

Herbalife can be beneficial for everyone with a great line of products and winning compensation plan. Herbalife is a top among the internet marketing standards.
