

Hot Tattoo Ideas: Flowers And Butterfly Tattoos

Have you been looking for months for a great tattoo design? Often it can be difficult to find the exact design that you want. If you have been looking for a delicate and cute tattoo for a female then you might want to consider a flower butterfly tattoo. These of course can go separately or together either way flowers and butterflies make for great subjects for female tattoos.

The Best Things About Flower And Butterfly Tattoos There are a variety of things about these tattoo that make them so great. First of all they are very flexible. That means they can go in a variety of different places on your body and the design can be sized and shaped to fit perfectly just about anywhere on the body. They make exceptional tattoos for upper and lower back designs and also can work well on your thigh or hip area. They are also full of symbolism. There is the symbolism behind the butterfly which goes through a beautiful transformation in life and then these often is symbolism behind the flower part of the design also.

Where To Get That Tattoo - These tattoo look great in a variety of places on your body. Of course there is the lower back tattoo design that many women are getting these days. However, if you want something a little more unique or original you can go with a full back or even an upper back design. These tattoos can easily be sized down to fit on the top of a foot, place on an ankle or wrist tattoo design and even work great on the hip and thigh. Whatever location you choose the tattoo can easily be designed to fit well.

Cost - This can really vary a great deal. A small hip tattoo might only run \$50 bucks but a large full back or even a big upper back tattoo could easily run \$500 dollars. Some other things to consider when establishing the price for a tattoo other than location and size is the reputation of the artist. If you want a top quality professional artist doing the design then you are going to have to pay top dollar. However you will be wearing this tattoo for the rest of your life so it is not exactly the best time to comparison shop for the cheapest tattoo artist. Find someone who you like their work and someone you can talk with.

Once you have chosen to get a flower and butterfly tattoo then you will want to next find the design or find a tattoo artist to create a design for you. When selecting a tattoo artist make sure you find someone who will listen to your ideas and take them into consideration. Remember to have fun and enjoy the process and don't rush to try and get the tattoo done. It will take time but in the end you will be much happier.
