

The Great Pyramid and The Fall of Men and Angels

In order to understand the Divine Plan of the Ages, it is absolutely necessary in the first place to understand this matter of life and death as revealed in the Bible and the Great Pyramid. Unless we understand the first three chapters of Genesis we cannot properly understand the rest of the Bible.

The basis for the Christian religion is summed up in the scripture 1 Timothy 2:5-6 where it is stated that, "For there is one God, and one mediator between God and men, the man Jesus Christ, who gave Himself as a ransom for all, to be testified in due time." This is the fundamental doctrine of Christianity.

The philosophy of "Ransom" cannot be understood unless we know what we were ransomed from, and in order to comprehend this we must understand exactly what happened in the beginning when sin entered the world at the fall of Adam in Eden.

We are commonly taught that sin entered the world when Adam fell into temptation. Nevertheless sin was already present in this Galaxy as we find that even before Adam the angels sinned in going to war amongst themselves and that sin effected the life here on earth

The Great Pyramid, amazingly sheds light on how evil was added to the DNA construction in creation. But even more importantly how this relates to the philosophy of ransom

There is an astrological connection that is the ultimate message of the Great Pyramid. That connection can be seen in the channel in the Kings chamber that points to Alpha Draconis which was the venue of the great angelic wars.
